281.494.3700 * (Fax 281.494.3703) * www.swis-inc.com * service@swis-inc.com * P.O. BOX 2076 Sugar Land, TX 77487-2076

<i>Special Features</i>	
Service Charge Waived	✓
Courtesy Reminder	✓
Spring Check Up	<i>FEB, MAR, APRIL</i>
Summer Check Up	<i>MAY, JUNE, JULY</i>
Fall Check Up	<i>AUG, SEPT, OCT</i>
Winter Check Up	<i>NOV, DEC, JAN</i>
VIP Discounts	15% (labor & parts)
Up Front Processing Fee	\$75.00
Per Quarter "10 zones or less"	\$75.00

Any repairs needed on the day of your scheduled maintenance will be at a 15% discount for parts and labor with customer approval. Any service call unrelated to your maintenance will include service charge being waived and 15% discount for any parts and labor. Sprinkler modifications resulting from landscape changes, pool and patio installation, etc., will require an estimate and work would be done at a future scheduled date. Credit card is required to join the program.

- **SWIS Maintenance Agreement keeps your system working efficiently by maintaining your sprinkler system.**
- **10 zones or less, \$75 per quarter, 11– 25 zones \$95 per quarter, 26 or more zones \$115 per quarter.**
- **SWIS maintenance assessment includes programming the controller for the season, checking the rain sensor (if applicable), adjusting spray heads, unclogging spray nozzles, checking the backflow, and a leak check on all spray heads. Winterization can be done during winter checkup if desired.**
- **Service charge is waived for our VIP customers all year long.**
- **We would come out four visits per year, spring, summer, fall, and winter.**

Our mission is to give you the most extraordinary service experience ever! We are not responsible for delays due to bad weather or accidents. Maintenance contract cannot roll over to next year if you do not schedule. Contract cannot be transferred to new home owner or refunds given for unused services. All sales are final. You will receive a courtesy email and phone reminder prior to every scheduled maintenance period. Southwest Irrigation Systems carries the necessary liability insurance and workers comp for your protection.
